

Walton County Parks and Recreation  
2013 Spring Select Soccer

Dear Select Soccer Parent,

This spring there is a major change to our select soccer program. After much feedback from both coaches and parents, select team uniforms will no longer be included in your registration fee. Each select team will order their uniforms as a team. We have dropped the price of our select soccer registration fee to \$85.

With feedback from the coaches, our teams will be ordering the Adidas Tabela kits. The cost will be approximately \$68 per kit (two jerseys, shorts, and socks). We will keep these uniforms from season to season, so any player returning in the fall will not have to order a uniform unless they so choose. Uniforms will be ordered by each individual team following tryouts. If you have any questions please let me know!
